Thanks, Carrie. We'll plan on having it on Saturday from 3:00 to 5:00, depending on the number of teams that sign up. Would you reserve two outdoor nets with poles and all from the rec center? If they can't be reserved yet, please reserve them when you can. The next time I'm at the Holidome, I'll decide exactly where to put the nets. Later.  
Best Regards,  
Budke

Brian,

The Holidome will allow us to use the grassy area for volleyball, but they want it made clear that they will not be held responsible for any injuries that occur. This should be made clear to all who choose to participate.
